

Sent to the Board of Directors of Calvary March 2004

I would like to thank you for your prayers and support during this time of transition. The past few months have gone very smoothly. The congregation has been very warm and supportive. It is a well-fed body and has responded maturely.

Since I've arrived I have been carefully considering and weighing additions to our Board of Directors as was discussed in our board meeting in California. As a result of this consideration process, I am proposing the addition of two new members and the change in status of an emeritus member:

The first is Todd Rankin, an attorney and successful venture capitalist who graduated from the University of California Law School and holds an MBA from Harvard Business School. Todd serves as Chairman of United World Mission and is well known to me. He is a personal friend who I have been closely involved with in ministry. He brings legal expertise and leadership experience that will be very valuable in governing the church.

The second is John Ackerman, former President of Public Service Company of New Mexico. He now teaches business ethics at the Arthur Anderson School of Management at the University of New Mexico. He and his wife Kim are actively involved at Calvary of Albuquerque as well as in the community. John is a man of high moral character and godly reputation. He also brings exceptional leadership experience to our board.

Finally, as you know, Jim Williams has been serving on the board as an emeritus member and I would like to change his status to that of a voting member. Not only is Jim a well respected businessman, he is a wise and godly man who I have great respect for. His maturity and wisdom is vital to me at this time.

I would like you to approve this via email petenelson@calvaryabq.org or fax 505-344-0562 by Friday, March 26, 2004. Once approved, I will follow up with an official written board resolution for you to sign and return via Federal Express.

Again, thank you for your support. I appreciate each of you greatly.

Blessings,
Pete Nelson

Senior Pastor, Calvary of Albuquerque
