

Reload Love Christmas Wish

All Reload Love wants for Christmas is to feed as many children as possible in the Pagirinya Refugee Settlement in Northern Uganda. For just \$54, a child will receive meals throughout the year at school and at their weekly StoryClub, where children are welcomed, loved, and blessed to hear about God and encounter Jesus. Go to reloadlove.com, December 1-5, to join us to help feed a child for an entire school year in 2019.

Life Track/Connect Groups

Life Track is a four-step journey that equips you to connect to the church, discover the strengths of your purposeful design, develop the essentials of leading with influence, and use your God-given gifts to make a difference in the lives of others. Join us for step one of Life Track on Sunday, December 2, at 11:30 am in the Hub. You can also connect with others through gospel-centered community. Find a Connect Group near you at calvarynm.church/connect.

Church Info

We pursue the God who passionately pursues a lost world; we do this by connecting with one another, through worship, by the Word, to the world.

“Patching Holes in the Smart Home”

Song of Solomon 5-6

Most marriages are marked by periodic skirmishes, but did you know that disagreements can actually *strengthen* your marriage instead of *weakening* it? A lot will depend on how you patch the holes left by a disagreement. Conflict resolution is an essential skill that will minimize permanent relational damage. Let's take a look at Solomon's marriage to his Shulamite bride, the first fight they had, and their final reconciliation.

I. Conflict Is Normal (5:1-6)

II. Collaboration Must Be Careful (5:7-9)

III. Conciliation Is Essential (6:3-4)
